TEMENU OLUWANIFEMI

Front-End Developer & Data Analyst

9, Dosunmu Street, Adamo, Ikorodu, Lagos • 09033602909 • temenuoluwanifemi2005@gmail.com • my-portfolio

PROFESSIONAL SUMMARY

A motivated Front-End Developer and Statistics undergraduate at the University of Lagos with a strong track record in building responsive web interfaces and performing data analysis. Proficient in modern web technologies including React and Tailwind CSS, with additional expertise in data analysis using Python, R, Excel, Power BI, and SPSS. Currently serving as Vice President of the Statistics Department and an active member of Junior Chamber International Nigeria (JCIN), demonstrating leadership and community engagement alongside academic pursuits.

TECHNICAL SKILLS

Frontend: HTML • CSS • JavaScript • React • Tailwind CSS
Data & Analytics: Python • R • Excel • Power BI • SPSS
Tools & Platforms: VS Code • GitHub • Netlify
Languages: English (Fluent) • Yoruba (Native)

WORK EXPERIENCE

Frontend Developer (Volunteer) | *TEDxOsogbo* | 2026

- Contributed to the design and development of the official TEDxOsogbo website, collaborating with a team to deliver a polished, responsive user experience.
- Implemented layout and interactive components using modern frontend technologies, ensuring cross-device compatibility.

Data Analyst (Freelance) | *Final Year Students — University Projects* | 2023 – Present

- Conducted statistical data analysis for multiple final year students' research projects, specifically the data presentation and interpretation chapter (Chapter 4).
- Applied SPSS to process, analyse, and visualise academic datasets, producing clear and accurate results for student dissertations.
- Communicated findings effectively to clients with varying levels of statistical knowledge.

Intern — Web Development | *Zuri Internship* | Aug 2022 – Sep 2022

- Collaborated in a team to build a website that provides no-code website templates for non-technical users, completing the project at the final stage of the internship.

Office Apprentice | *Bio-Computer Ventures, Ikorodu* | Feb 2023 – Aug 2023

- Assisted at least 10 customers daily with document typing and administrative support, while handling photocopying of over 30 documents per day.
- Supported sales operations and developed strong customer service and organisational skills in a fast-paced business environment.

LEADERSHIP & MEMBERSHIPS

Vice President, Statistics Department | *University of Lagos*

- Represent the interests of Statistics students at departmental level, coordinating student activities and fostering academic engagement.

Member, Junior Chamber International Nigeria (JCIN)

- Active member of a global youth leadership organisation committed to creating positive change through community development and professional growth initiatives.

EDUCATION

B.Sc. Statistics (In View)

University of Lagos, Lagos State • Oct 2023 – Present
Vice President, Statistics Department

West African Senior School Certificate (WASSCE)

Government Senior Model College, Ikorodu • 2017 – 2020

PROJECTS

Personal Portfolio Website

my-portfolio

- A showcase of completed frontend projects, demonstrating proficiency in responsive design, modern JavaScript frameworks, and UI/UX best practices.

TEDxOsogbo Official Website

- Collaborated on the official website for TEDxOsogbo, contributing to frontend development and helping deliver the site ahead of the event.

No-Code Website Template Builder (Zuri Internship)

- Group project delivering a template-based website builder enabling non-technical users to create websites without coding knowledge.
